

# **PEACE OFFICER STANDARDS & TRAINING**

# Full-Time; Part-Time, Basic/Refresher **Training Packet Memorandum**

Dear Law Enforcement Administrator and Examining Physician:

This training packet contains a medical evaluation, a reimbursement supplement and an application for enrollment to the academy. Please complete all forms in accordance with the instructions below. Submit the completed packet (pages 1 - 8) to the academy at least two weeks prior to attending a training course (forms that have been completed six months or more prior to training cannot be accepted). With an increased awareness of the importance of physical fitness in the law enforcement profession, as well as in the overall maintenance of quality of life, the Board on Law Enforcement Officer Standards and Training (BLEOST) has enhanced fitness standards for law enforcement candidates. Students will be participating in vigorous physical fitness training and defensive tactics, as well as stress-related training (physical and mental), in such areas as driving, firearms and officer survival. Driving and firing events incorporate seasonal inclement weather with day and night sessions to further enhance stress-related training.

This medical examination report should provide an adequate evaluation of the physical condition of a law enforcement candidate and identify potential problem areas in each candidate's ability to successfully complete training. Agencies are urged to consider carefully any decision to enroll a student in training who has a potential problem. Students with weight problems, who have not been active in a physical fitness program or who have some medical difficulty, will have a greater probability of not completing the course. If at all possible, fitness levels should be at or above the minimum levels established in this packet prior to attending the basic course. The procedures for completing these forms are as follows:

### Information for the Physician - Continued

#### **Physical Fitness Requirements**

The Board on Law Enforcement Officer Standards and Training (BLEOST), in recognizing the importance of physical fitness for academy performance and subsequent job performance, has established physical fitness training standards that must be achieved in order to successfully complete the training program. The board has established a test that effectively measures cardiovascular endurance and strength. An additional component of fitness, body weight and composition (% of body fat), has a great impact on the examinee's ability to perform the other tests. The evaluation of the candidate's fitness begins with a physician's examination and a determination of the ratio of fat to lean tissue. If an individual's weight exceeds the threshold weight, then a skinfolds caliper measurement should be taken to determine body fat percentage.

The BLEOST will require all board-approved training academies to administer an entry physical fitness test for those students reporting to the training program. The examination will be given immediately upon reporting for training and will determine whether a student can remain in the program. This test is an eligibility requirement. A passing score of 50% must be achieved. Those students who fail the examination must leave the academy. They may, however, resubmit their application to attend a future training class.

The test is comprised of three components: agility run, push-ups, and a 1½ mile run and is administered to all Full-time, Part-time, and Refresher trainees. It is the same test administered at the end of the program for Full-time and Part-time trainees (Refresher trainees are not required to take the final test) with one exception: The entry examination requires 50% to pass while the final test mandates 70%. This new requirement does not relieve students from participating in P.T. training once they pass the entry requirement. Full time and Part-time trainees will continue to participate in scheduled P.T. training and must also pass a final P.T. test with a minimum score of 70% in order to graduate. It is important that all students understand this since even a physically fit person who has engaged in poor eating or drinking habits before reporting could fail the test.

#### Salary Information

Any reimbursement of training expenses will be authorized only for those agencies and subdivisions of the state who are in compliance with all provisions of the Law Enforcement Officers Training Program (LEOTP) to include those policies and procedures established by the Board on Law Enforcement Officer Standards and Training pursuant to the LEOTP. The board staff shall review all the information available on each graduating class and determine the eligibility and amount of reimbursement to each agency.

*NOTE*: As of July 1, 2013 any officer (law enforcement trainee) who is not certified within one year (within two years for Part-time certification) from his or her date of hire is not authorized to be paid a salary. Accordingly, the Board will not reimburse any salaries paid under such circumstances. However, any person, who, due to illness or other events beyond his or her control, could not attend the required school or training as scheduled, may serve with full pay and benefits in such a capacity until he or she can attend the required school or training.

Attach a copy of the applicant's payroll voucher in the blank space below or complete the following statement. The voucher must show the number of regular hours worked and the amount of pay for those hours.

The person named in this application will be paid a base (circle one) hourly, weekly, biweekly or

I, the undersigned, do hereby swear and affirm that there are no willful misrepresentations, omissions or falsifications in the statements and answers to questions within this document, and that all statements and answers are true and correct to the best of my knowledge and belief. I agree to obey the Academy regulations and understand that I am subject to dismissal from the Academy for any infraction. Should a question of my integrity or that of a fellow student arise because of some incident while attending the Academy, I will voluntarily submit to a polygraph examination upon request. I understand that any reported criminal violation will be turned over to the appropriate law enforcement agency for investigation. I understand that I will only be covered to the extent that I would be covered for any illness or injury incurred while on duty at my employing agency under personal or department medical insurance. Further, I certify that I am in good health, physically fit, and of good moral character. I hereby release the Board on Law Enforcement Officer Standards and Training (BLEOST) and any department officially associated or connected with the academy of attendance from liability in case of illness or accident.

I also understand that by gaining entrance into Academy, this facility has become my academy of record. If I withdraw voluntarily, or am dismissed by the academy staff, I cannot attend any other academy unless I am released to do so by the academy director. Any previous attempts to complete the Law Enforcement Officers Training Program must be disclosed to the academy staff before admittance.
